

Make a Timeline

A timeline is a way to understand the relationship between events and the dates they took place. Make a timeline of your life. Start by listing the years in which the following events took place.

1. I was born on _____.
2. I took my first step on _____.
3. The dates my brothers and sisters were born. _____
4. My first day of kindergarten. _____
5. Rode my bicycle. _____
6. Lost my first tooth. _____
7. Learned to read. _____
8. My first job. (babysitting, delivering papers, etc.) _____.
9. Other important firsts in my life. _____

Using the information above, write the date on the bottom and the event on the top of the timeline.

Think of other events that you could chart on a timeline. (For example, your years in school, when you read your favorite books, career of your favorite musical group, etc.) Label the following timelines using this information.
